Calling all Kingstonians! Take pride in your community by showing your support of Kingston's participation in the Communities in Bloom National Program. Communities in Bloom National Judges, Ken O'Brien and Wendy Mackie will arrive in Kingston on July 25th! Don't wait...start preparing now to make Kingston the best place to live and visit. Place this banner in a window, on a bulletin board or display on a wall. Let's show the rest of Canada that Kingston is the best ***Bloom'n*** community!
